Tutoring Program

House Members who are in need of tutoring assistance can communicate such need with the 4-H House Scholarship Chair and/or President and Mary McKee Board Chair. Tutoring requests will be considered on a case by case basis by this group. The Mary McKee Board will pay the tutor for tutoring and charge the participants. The group (Scholarship Chair, President and Mary McKee Board Chair) will also receive feedback from the tutor to determine whether the House Members who requested the assistance actively participated in the tutoring sessions. If they actively participated, the charge will be waived but if not, the charge will remain and added to their last housebill.
